

LTU22(x) Claims

The Deadhead Claim

Claiming difference in pay. I was ordered to dead head Separate and Apart on DH (number) on (date) (time) to tie up in Mankato for rest. Proper payment would have been, the Trip Rate, for the RE58 Board at Valley Park, MN (SX020)). I was instead paid a Straight Away deadhead amount (Time Consumed). This claim is made under provisions of prevailing agreement(s). Please pay the difference.

Meal Claim

**Only if paid at weigh freight rate for job
Not if paid Trip Rate or meal is allowed.**

Claim 100 mile basic day penalty account denied a meal enroute while working job LTU22x – xx. A meal enroute was requested of Dispatcher xxx on date at time. Meal was denied by disp xxx at time of the same day. On duty SX082 time date and FTU at SX020 time date.

Difference In Pay

Make Whole

If used OA off of pool turn for job and pool turn made more than you

Claiming difference in pay (Make Whole). I was first out and rested at Valley Park, MN on the RE58 board on Pxxx when I was called to DH Separate and Apart for rest on DH number OD time date. CMS wrongly moved me off of my pool without my permission and showed me in OA status for this DH. I worked the above DH and job LTU22x – xx the following day. Meanwhile my turn Pxxx was filled with extra engineer xx name. He was called to protect jobs xxxxx – xx and xxxxx – xx. While covering my pool turn. The details of the jobs worked by him while protecting my pool are a matter of record before the carrier. My pool should have gone with me on the above DH and subsequent job. Please make whole.

Penalty CMS Error

If used OA off of pool turn and pool turn made less than you

Claiming a basic day penalty (130miles) account CMS error.). I was first out and rested at Valley Park, MN on the RE58 board on Pxxx when I was called to DH Separate and Apart for rest on DH number OD time date. CMS wrongly moved me off of my pool without my permission and showed me in OA status for this DH. I worked the above DH and job LTU22x – xx the following day. Meanwhile my turn Pxxx was filled with extra engineer xx name. He was called to protect jobs xxxxx – xx and xxxxx – xx. My pool should have gone with me on the above DH and subsequent job.
